REGULATION OF the general on the back of this contract

## GENERAL REGULATION

### Name - Date and time of the exhibition, modification and / or cancellation of the event

The Medifiere Sr .I. organizes annual fairs, exhibitions, exhibitions and events in the interest of national economic categories, with the aim of increasing trade and increasing consumption, **without thereby ensuring whatever certainties of certain or amazing business or exceptional public presence within the event, while ensuring an adequate advertising campaign to support it.**

All events organized by Medifiere Srl are governed by the following rules and are accepted by the signer of this regulation:

**Art. 1** - The Medifiere Sr .I. reserves the unquestionable right to change the duration, opening date and times of the event or even to suppress the event itself, even if already underway, with the sole obligation to reimburse participants for the amount they already have poured out.

The participants can not in this regard claim anything, for any reason, for the compensation of hypothetical damages suffered, derived or deriving from such decision or eventuality.

### Admission to the exhibition

**art.2** - The admission application must be completed in its entirety with a clear description of all the required data and the explicit unconditional acceptance without reservation of the provisions of the exhibition regulations and any other possible arrangement that Medifiere Sr .I . reserves the right to issue for the best performance of the exhibition itself.

The application must be signed by the owner of the company, or if it is a company, by his legal representative or by a person delegated to the signature.

### Shares

**Art. 3** - With the application for admission, the exhibiting companies will have to pay a quantified registration fee from time to time.

This fee includes: general cleaning service excluding the cleaning of products or exhibited vehicles, general surveillance service, exhibitor passes.

The allocation of the stands involves the payment of a rate per square meter + VAT for the exhibition area.

The internal pre-finished stand It includes:

H. 2.5 0 panels in water-based wood, carpets, spotlights, KW electrical socket . 1.00.

### PAYMENTS

**Art. 4** - Payment of the fee must be carried out in the following ways:

Simultaneously with the application for

admission, the exhibiting company will have to pay a deposit of **30%** of the amount due as advance deposit + VAT, + the registration fee.

The balance must be paid no later than **30 days** before the start of the event and in any case before the event itself by means of:

**Bank Transfer at:**

**CREDEM - Ag. 2 Trapani**

**IBAN**

**IT9000303216401010000004527**

**SWIFT CODE - BIC Code: BACRIT21423 for abroad.**

**- Headed in: MEDIFIERE SRL to be received no later than the aforementioned date, or by bank or non-transferable check made payable to Medifiere Srl**

**The payment of the balance due, if this happens (for any reason) even after the above date, constitutes the only title for the delivery of the "PASS INGRESSO" to be produced at the doors to the staff.**

### Sale or Renounce

**Art. 5** - Who, after signing the application form, renounces to participate in the fair, must notify by telegram, indicating legitimate and proven reasons, no later than **15 days** before the start of the fair, otherwise the payment of a **penalty equal to twice the full amount owed** or established in the request to participate.

Anyone who leaves the assigned place will not be entitled to reimbursement of any deposit already paid and at the same time will be required to pay **twice the full amount of the sum still owed in addition to compensation for any greater damage created to the image of Medifiere Srl**

The Medifiere, moreover, reserves the right to transfer the areas to third parties, without being required to repay or indemnify anyone.

The Medifiere Sr .I. consider areas abandoned:

- do not occupy the products intended for exposure, at least twelve hours before the time set for the inauguration, even if the areas are already set up and equipped with signs;
- left unattended or in conditions of obvious negligence during the event.

The Medifiere Sr .I. also reserves the right to decide on acceptance of the membership application . The application form will have to be accepted if within **5 days** before the event is not received by the exhibitor registered letter, fax or telegram containing the non-acceptance of it .

### Real Guarantee credits

**Art. 6** - C on the declaration of acceptance and approval of any provision of these Regulations, exhibitors, ensuring the

integral fulfillment of contractual obligations, with specific reference to those concerning the payment of amounts outstanding organization, **authorizes the Medifiere Sr .I. itself to retain the displayed goods and the materials used for the preparation, as well as the vehicles and vehicles that are located inside the fair.** The goods and materials referred to in the previous paragraph will be removed in total and expense and stored in warehouses at risk and danger of it, which in the second day of storage of materials is held surcharges to the amount of € 100.00 for each day of storage and for every 5 square meters. of occupied area. The Medifiere Sr .I. reserves the right to proceed with the removal of goods and materials, placing all the related expenses at the Exhibitor's expense. Overcome infruttuosamente 15 days of storage, the Medifiere Sr .I. will sell the goods in stock, withholding the relative proceeds for reimbursements and various indemnities, without prejudice to the fact that Medifiere Srl will continue all legal actions to protect its rights, including the request for payment of the amount claimed.

### Advertising

**Art. 7** - Advertising will be carried out in local of mood according to the tariffs charged by the *Medifiere*.

Rates do not include taxes Billboards and advertising.

The exhibitor signs the corresponding request for acceptance of the aforementioned rules when the service is commissioned.

The exhibitor who intends to set up audio-visual equipment must request authorization from Medifiere Srl, providing directly to the regulation

of relations with SIAE regarding copyright. The Medifiere Sr .I. will remain on the exhibitor for the objections made by the SIAE following an assessment. The advertising signs, even if placed within the assigned exhibition space, are subject to payment of the related municipal taxes. All forms of advertising placed outside the assigned exhibition space, as well as being subject to prior approval authorization, are subject to payment of the relevant advertising fee.

### Electrical installations

**Art. 8** - The Exhibitor who privately provides for the realization of the electrical systems, it assumes the total responsibility, both civil and criminal, that the latter are responsive in every part to the technical and safety regulations in force.

In particular the electrical systems must be installed and maintained in order to prevent the dangers derived n you

against accidental contact with live parts and the risks of fire and explosion arising from any abnormalities that may occur in their exercise".

Moreover, the systems must be

Made in compliance with the provisions of the existing law, as well as is, as they exist, the correlative tables of Electronic Unification (UNEL).

Of all the rules and tables mentioned above, the latest edition in force is considered valid.

In implementing current laws in terms of plant safety, the exhibitor will have to produce at the office

Technical Services of Medifiere Srl a relative declaration of conformity.

The electrical systems must be equipped to their origin, of a main switch of the circuit breaker type or differential m nipolare flow rate equal to about the committed power and differential calibration of 30 mA (0.03 Amps).

Each exhibitor has the right to withdraw up to 1 KW. The possibility of withdrawing higher powers must be agreed with the Medifiere Sr .l..The electrical distribution systems must be made with cables equipped with non-fire-retardant sheath, according to CEI 20.22 standards (or IEC 332-3 category A ).

The cables must have sections proportionate to the load and sections not less than mmq. 2.5 .In the case of electrical connections no excess cable is allowed in any case.

It is forbidden to use power cables to suspend the lighted bodies. When connecting electrical systems, the Medifiere Sr .l. .

This operation takes place after a favorable outcome of the verification carried out by trusted technicians of the organization in the presence of the Exhibitor or his representative.

## Fire prevention

**Art. 9** - All the materials necessary for the preparation of the exhibition spaces must be non-combustible, fire-retardant at source, fireproofed according to the provisions contained in the current law on the subject.

For the purposes of fire prevention it is forbidden to:

- a) carry out welding work of any kind and nature as well as the use of open flames;
- b) the use of plastic materials (panels, slabs, foams) that are not class 1;
- c) the use of non-fireproof synthetic fiber fabrics, paints, paints, adhesives, etc., that do not comply with class 1. On combustible material it is mandatory to proceed with specific fireproof treatments;
- d) carrying out fireproofing treatments inside the halls.

The Exhibitor is obliged to keep the original documents in the stand proving the characteristics of the equipment used and the intervention of fireproofing proven by fireproofing certificate. The Exhibitor is

criminally and civilly responsible, in case of negligence or gross negligence, for any damage caused to anyone.

## Accident prevention

**Art. 10** - The Exhibitor is required to comply with all applicable regulations concerning the prevention of accidents and occupational hygiene.

The Exhibitor exonerates Medifiere Sr .l.

from any and all liability, both civil and criminal, for any damage that may be caused to personnel who work with the Exhibitor himself or to visitors due to the non-observance of the rules contained in the measures indicated above.

The machines on display can work, subject to the opinion of the Technical Services Office, provided that:

- a) do not disturb the nearby Exhibitors or visitors due to excessive noise, heat, vibrations, solvent pollution, etc. ;
- b) are equipped with safety devices that comply with Italian safety and accident prevention regulations.

The Exhibitor is responsible criminally and civilly, in case of negligence or gross negligence, for any damage caused to anyone, directly from materials or means introduced in the fairgrounds.

## Services

**Art. 11** - Medifiere Sr .l. reserves the right to manage any service that it deems appropriate to set up for the smooth running of the exhibition.

## Insurance coverage, supervision, damage and theft

**Art.12** - Medifiere Sr .l., While providing the normal day and night surveillance service, declines any responsibility, in order to any damage to the goods lying in the fairgrounds also for natural and technical risks, damages due to infiltration or fall and / or stagnation of water, explosion and / or clogging of sewers, fires, collapses, thefts, subtractions and any damage caused by force majeure or third parties.

The Exhibitor is obliged to take out insurance policies (All Risks) against damage to materials on display, temporarily parked in the exhibition center, before during and after the event. The Exhibitor is obliged to monitor his stand or exhibition area during the opening hours, so he must present himself at the exhibition half an hour before the opening and leave his stand after the closing of the event.

## Entry and exit of goods and materials

**Art. 13** - Goods, products and materials introduced by the Exhibitor on

the premises of the Event can be removed only after the closing of the event.

To this end, the Exhibitor must obtain an " exit voucher ", issued by the Medifiere Srl Offices only after the regularization of his administrative-accounting position with the organization itself.

For special needs and justified reasons, special "exit vouchers" may be issued during the event.

During the period of the event, Exhibitors may introduce any goods received or intended to supplement the assortment and stocks, from Monday to Saturday within 2 hours before the start of the event -

## Clearance of exhibition spaces

**Art. 14** - The withdrawal of the products on display and dismantling of the stands will start from **08. 30** hours the day after the end of the event until **20.00**. The exhibition spaces, if made with private constructions, must be vacated within **these terms**.

Having passed that term in vain, the materials are considered abandoned and the Medifiere Sr .l. it may dispose of it, decline all responsibility and transfer the related risks and charges to the defaulting Exhibitor.

The Exhibitor is required to pay the sum of € 100.00 for each day of stock and for every 5 square meters. of occupied area.

## Prohibitions

**Art. 15** - All Exhibitors are absolutely forbidden:

- a) the sale with immediate delivery of the goods on display, except for the cases to which it is permitted by the norms in force and in the sectors expressly envisaged ( exhibition-market, etc.);
- b) the total or partial sale of the exhibition space, even free of charge;

c) price exposure and the itinerant exhibit of exhibited products;

d) the attraction of the public with sound, music, etc. or with vocal means;

e) display of products not indicated, at least generally, in the application for participation or belonging to another company;

f) the removal of the exhibited products and the fitting material without an "exit voucher" issued by Medifiere Srl, both during the event and after the closure of it;

g) the exposure, use and dissemination of signs, posters, brochures, samples, etc, that are not commercial, but refer to economic-political programs or create competitive controversy with other Exhibitors;

h) carry out work in the exhibition space assigned during the hours of public visit;

i) carry out any propaganda activity that discredits other countries;

l) the permanence of people in the exhibition center during the closing hours of the exhibition;

m) advertising on behalf of third parties;

n) Carry out practical demonstrations not specifically authorized on prior request;

p) the introduction into the fairground of explosive material and detonating and dangerous products or, in any case, likely to cause damage and harassment;

q) puncture nails and screws in both internal and external walls, ceilings, floors and columns of the pavilions;

r) painting, papering or using glues on walls and columns. Limited use of double-sided adhesive tape on the floor is permitted for laying carpet, provided that the subsequent removal, at the Exhibitor's expense, does not cause damage to the underlying flooring;

s) abandon the fittings and remove the goods displayed before the closing time of the exhibition;

t) leave the stands closed during the exhibition hours or display the goods outside their stand.

### **Administrative Authorizations**

**Art. 16** - As far as the sale or any free tasting of foodstuffs and gastronomic products is concerned, without prejudice to the fact that the institution assumes no responsibility, the stand holders must first obtain all the administrative and health authorizations required by law. All the tax obligations required by law are the responsibility of the exhibitors .

### **Car parking**

**Art. 17** - The entry and the stand of the Exhibitors' cars in the Exhibition area are not allowed in any way. The costs of removal will be charged to the Exhibitor. The organization is exempted for theft, damage, subtraction of vehicles and things placed inside them, parked in the exhibit parking area located in front of the fair district or in the car parks adjacent to it.

### **General provisions**

**Art. 18** - The exhibitor, under this clause, declares under his own responsibility that the company represented is really existing and that it is in compliance with all the rules and regulations regulating trade (registration CCIAA, REC, REA, Administrative, Municipal, Health and Administrative Authorizations) on the Safety of the Work) and on everything else required by the law for the commerce be it to fixed place that ambulante, as well as all the norms that regulate the fiscal aspect , sanitary and providential . The Exhibitor also declares under his own responsibility that the displayed merchandise is his property and does not come from illegal or illegal acts and in any case not falsified or faked .

**Art. 19** - Medifiere Sr .I. reserves the right to establish, even by way of derogation from these Regulations, rules and regulations aimed at the best performance of the event and to organize the related services. These rules and provisions have the same value as those of these Regulations and exhibitors are required to comply with them. For any matters not provided for by these Regulations, the provisions of the Civil Code and of all legal provisions apply.

### **General provisions**

**Art.20** Failure to comply with all the provisions of the law and the violation of any provision of these Regulations give rise to the termination of the contract and the immediate closure of the exhibition space, without any reimbursement of the fees paid and with the exception of greater responsibilities.

### **Complaints**

**Art.21** - Exhibitors may lodge complaints of any kind by electing a committee consisting of a maximum number of 5 members, presenting detailed and motivated information to the offices of the Medifiere

### **Modification or suppression of the event**

**Art. 22** The organization is expressly exempt from any and all liability for all cases of force majeure, unforeseeable circumstances, lack of exhibitors or other reasons, for which the date of the event should be changed or even the **manifestation suppressed, even in progress** and even if this happens for possible measures by the competent authorities . In all these eventualities to Medifiere Srl can not be demanded, in any way, the compensation for any damage derived, arising or resulting.

### **Treatment personal data**

**Art. 23** - The Exhibitor expresses his consent so that Medifiere Sr .I. You also process your data electronically, for sending your information, advertising or promotional material. It also expresses its consent to the communication of data to exhibitors, suppliers and commercial partners of Medifiere Srl for actions and initiatives of an advertising, promotional and commercial nature in general. He declares to be informed in accordance with the law , at any time and free of charge, may have access to his data, request its modification or cancellation or oppose their use by writing to the data controller.
